Dear Parents and Carers

It has been another fantastic week in school and the children have settled in quickly and are all back to working hard in classes and enjoying playtimes with their friends.

It is inevitable that as schools reopen the usual bugs will spread. However, following Public Health's advice, which we shared last week, children displaying any of the additional symptoms are now asked to book a PCR test.

Last week, 7 children and 1 member of staff were tested and thankfully all tested negative. We are awaiting results for 4 children this week. We cannot assume it is a typical bug as we know 1 in 3 people have Covid and do not display any symptoms. A local school closed three out of their four classes this week after 8 children tested positive and the only symptom displayed was diarrhoea.

Thank you to all our families who have booked tests immediately. It is vital we all follow Public Health's guidance to keep our community safe and our school open.

Please follow the link to our school website for the latest DFE guidance for parents and information on how to book a Covid test.

Test results are now coming back within 24 hours.

Prayer of the week

Our Father in heaven,
hallowed be your name,
your kingdom come,
your will be done,
on earth as in heaven.
Give us today our daily bread.
Forgive us our sins
as we forgive those who sin against us.
Lead us not into temptation
but deliver us from evil.
For the kingdom, the power,
and the glory are yours
now and for ever.
Amen.

Wishing you all a wonderful weekend.

Yours sincerely
