Tilston Parochial CE Primary School Curriculum Statement

"Nobody who ever gave his best regretted it."

George Halas

At Tilston Parochial CE Primary School, we endeavour to provide a high-quality physical education curriculum that encourages our pupils to live an active and healthy lifestyle both now and in their future adult lives. Our aim is to ensure as many pupils as possible have the opportunity to engage in sport each week and have the courage to take part in competitive sport whether that be in intra, inter school sports or sports within the community.

Physical education is not only PE lessons, but the many hours of playtimes, extra-curricular clubs, the golden mile, adventurous activities and outdoor exploring, they all contribute greatly to the health, fitness and well-being of our children. It is a great source of fun and enjoyment for all. Friendships are developed, confidence is boosted and positive respectful attitudes are established in order to bring out the best in everyone.
